

Free Medical Screenings for San Diego Residents

CHC to hold health fair celebration this Saturday

SAN DIEGO, CA – Local healthcare provider, NMA Comprehensive Health Center (CHC), is holding its 7th annual Health Fair Celebration with a day of free medical screenings, healthcare education, and entertainment for the whole family.

Attendees may obtain free screenings for Diabetes, Asthma, Hypertension, Obesity, Oral Health, and HIV. Learning about these topics and receiving testing is not only important for the health of San Diego residents, but also for the health of our community.

“Every year we like to celebrate the health of San Diego, while providing free medical services to our community,” says Joe Davis, President and CEO of CHC. “For over 25 years, we have been committed to providing affordable quality healthcare to San Diego County. We work hard to educate families about staying healthy.”

This year’s Health Fair Celebration 2006 will be held at one of CHC’s three locations in San Diego: **3177 Ocean View Boulevard, San Diego, CA 92113** – located south of the 94 Freeway – on **Saturday, July 22 from 10:00 am – 2:00 pm.**

In addition to free health screenings, families can enjoy free lunch while being entertained by Blazin’ 98.9 Radio Station, Club 98.9 Dancers, Mariachi Juvenil de San Diego, and Ballet Folklorico del Centro Comunitario de Sherman. There will also be activities for children such as face painting, clowns, arts and crafts, and inflatable jumpers.

Health plan representatives will be in attendance to answer questions and offer information on medical and dental benefits. Referrals may also be made for uninsured families to receive free application assistance to the Healthy Families/Medi-cal Program.
